---

Greetings from Trees of Trail Canyon,

We are excited about the 2023 planting season and would like to share some of the unique tree selections on our Spring Inventory list. Check out the Red Flowering Chinese Yellow Horn, the Cedar of Lebanon and the Johnny Appleseed trees.

Hours and Visitation - We are open Mon-Fri, 8am to 5pm by appointment. After hours and weekends also by appointment.

Delivery - we can provide delivery within 400 mile radius (Denver, Carbondale, Flagstaff, Albuquerque, etc). Rates vary according to truck/trailer combos, and range from \$150 to Cortez to \$1,000 for Denver. We will happily load your truck or trailer at no charge.

Guarantee - we provide a two-year guarantee for our trees (excepting poor maintenance, acts of god or vandalism), and offer replacement or full credit for the original purchase price, less delivery and installation.

On site consultations are available for \$150/hr.

Trees of Trail Canyon is a certified Japanese Beetle-free nursery and a 100% solar powered farm with an active carbon storage/sequestration program in place, as we continually strive to reduce our carbon footprint.

We look forward to working with you, and please call with questions or requests.

Let's make the planet a little greener,

David Temple
